PARTNERSHIP WITH CAMBRIDGE ASSESSMENT

An MoU (Memorandum of Understanding) has been signed between Vailankanni Public School, Krishnagiri and Cambridge University Press & Assessment on 05/07/2023.

The agreement was signed by Mr. Biplob Bhakta, Senior Vice President of Cambridge University Press & Assessment; and Mrs. Vijayalakshmi V, Director of Vailankanni Group of Schools (CBSE) & Senior Principal of Vailankanni Public School, Krishnagiri.

Some key benefits of a partnership with Cambridge Assessment include:

Access to Internationally Recognized Qualifications, Rigorous Assessment Standards, Professional Development for Educators and Networking and Collaboration Opportunities.

TRAINING AND LAUNCH OF KARADI PATH

We have partnered with Karadipath's Power English Programme to enhance our English language learning curriculum and provide our students with a comprehensive language acquisition experience. Our students will have access to a wide range of learning materials, including textbooks, workbooks, audiovisual resources, and online platforms.

KARADIPATH INCORPORATES

- ▶ Interactive lessons
- ▶ Multimedia resources
- ▶ Practical activities

to ensure active participation and meaningful learning experiences for our students

PARENTS ORIENTATION ON JOLLY PHONICS

JOLLY PHONICS AT CLASSROOM

JOLLY PHONICS

Jolly Phonics offers a systematic, multi-sensory approach to teaching phonics. It focuses on letter sounds, blending, and segmenting, building early reading and writing skills. The program boosts confidence, provides support for teachers and parents, and develops transferable skills.

PARTNERSHIP WITH SPORTZ VILLAGE EDUSPORTS born to play

Our school has partnered with Edusports Sportzville. This collaboration aims to enhance our students' physical fitness and overall development through a comprehensive sports program. Edusports Sportzville brings expertise, structured curriculum, and professional coaches to foster a passion for sports and a healthy lifestyle among our students.

FATHERS' DAY CELEBRATION

18 JUNE

Our kindergarten to fifth-grade students poured their creativity and love into creating special greeting wishes for their dads. We believe that fostering such meaningful connections between our students and their families is essential, and events like these contribute to building strong bonds within our school community.

Our students of Grade 6 and 7 put their hearts and creativity into crafting heartfelt video messages for their dads. Each video showcased the deep bond between our students and their fathers. Through these videos, our students shared stories, memories, and words of gratitude, showcasing their admiration for their dads.

Grade 8 to 12 students were encouraged to write a personal letter expressing their love, gratitude, and admiration for their fathers. These messages were then sent through the post by the school. The letters were beautiful testaments to the deep bond between fathers and children, showcasing the immense impact fathers have on their children's lives.

21 JUNE

YOGA DAY

The 9th International Yoga Day was celebrated with great enthusiasm and energy at our school. The event aimed to promote the benefits of yoga and encourage students to incorporate it into their daily lives for improved physical and mental well-being.

YOGA the rhythm of the body
the melody of the mind
the harmony of the soul
and the symphony of life

Our Students won Silver in District Level Roll Ball Championship

Our school held its highly anticipated Student Council elections on July 1, 2023. The voting process integrated modern technology with iPads and tablets, streamlining the process and encouraging student engagement.

Candidates presented their visions and plans during spirited campaigns, and the election results were announced in the evening, followed by a joyous celebration.

Congratulations to the newly elected members of the Student Council

BAG-FREE SATURDAYS

On Bag-Free Saturdays, students are encouraged to participate in a diverse range of activities that go beyond traditional classroom learning. These activities include boxing, skating, dance, KaradiPath, Jolly Phonics, School Cinema, and more.

By stepping away from their school bags and textbooks, students can explore new interests, unleash their creativity, and develop valuable skills outside the confines of regular academic routines.
